- Postgraduate Diploma in International Hospitality Management
- Master of Science in International Hospitality Management

The Postgraduate Diploma and the Master of Science in International Hospitality Management are validated by Manchester Metropolitan University (MMU), UK. This recognition and validation is based on formal quality assurance procedures that apply to all MMU courses, and involves on-site visits and assessments from panels comprising representatives of MMU, industry organisations and other UK universities.

- WSU International Business (IBUS) Certificate at University Center "César Ritz", Switzerland.
- Accelerated MBA programme at Washington State University in Pullman, USA.

UCCR and WSU have signed an agreement to provide opportunities for students at both institutions by providing the new accelerated MBA programme starting in Fall 2008. The two specific steps for this programme including an International Business Studies Certificate (IBUS Certificate) for UCCR BIB graduates followed by the accelerated MBA to provide international experience with a combination of Swiss and US education.

Full details can be obtained online or from the admissions office.
